

A brand new bus is about to arrive at a stop near you if you live on the route of *the Sherwood shuttle* !

Arriva has invested **over £300,000** in three brand-new buses for use on *the Sherwood shuttle* service between Sherwood, Ferndale, the town centre and Sainsbury's, giving:

- New standards of comfort
- Easy access for everyone
- Latest engine technology to minimise exhaust emissions and to help reduce pollution in Tunbridge Wells.

*Arriva investing in
Tunbridge Wells - again!*

Look out
for the
new
buses
from
1st
November

 **ARRIVA**

Some features of the new buses

- New bus styling, with distinctive *Sherwood shuttle* branding.

- Bright, comfortable interior.

- High-visibility electronic destination and number displays at front, side and rear.

- Latest 'Euro 5' engine gives minimal exhaust emissions.

- Digital CCTV cameras inside and out for added security.

- Frequent service - up to every 15 minutes!

- Easy-access for everyone. Ramp available for low pavement access.
